Mediation preliminary information form

Thank you for agreeing to meet with me to consider whether mediation may be helpful to you in resolving things with your partner/former partner. The attached form is designed to provide preliminary information about you and your situation to assist in planning your mediation process.

Please note that not all sections may apply to you – for example, if you are planning to mediate in matters regarding your child or children, you will not need to complete those sections relating to your financial situation, but remember that it might be relevant where financial support for your child or children may be an issue you wish to discuss.

It is important that you complete Section 10 which relates to your aims in coming to mediation as this assists me in understanding what you hope to achieve as a result of choosing mediation.

Please therefore complete all sections that you think apply to you and the issues which you wish to discuss or resolve together should you subsequently choose mediation. Completed forms are kept confidentially by me and information will not be shared with anyone else without your permission. Your address and contact details can also be kept confidential if you wish – please indicate if this is the case at section 1.b. of the form.

I shall look forward to meeting you.

Please return completed form to:
